

## North East London Gymnastics Club - Trip to Festival Del Sol, Italy 2016

At the beginning of July, we took a team of 18 gymnasts to Bologna Italy to participate in the 13th edition of Festival Del sol.

The gymnasts had an amazing week, taking part in rehearsals in the morning and performing in the evening. When we arrived on Sunday the gymnasts and coaches took part in the opening parade with all the other countries.

The gymnasts performed on Monday and Wednesday at different arenas around Riccione. In between performances gymnasts took day trips to the beach and Aquafan water park.

On Friday night the team took part in the closing ceremony on the main stage, performing in front of thousands of spectators.
