

Concessionary Fee Information

If your gymnast is an **existing member** of the club (registered in a weekly class as of 28/04/23) you are entitled to apply for a concessionary rate if you receive government benefits or would be unable to afford the sessions due to a low income. This means that fees will be frozen at the 22/23 rate for the year 23/24.

If you are just joining us as a **new member** and you live in the **London Borough of Hackney** you could also be entitled to the fee freeze.

To apply:

Send an email to trustees@nelgc.org stating:

1. name of the gymnast
2. time and duration of the sessions they attend
3. parent/carers name registered on the Think Smart Portal
4. the borough you live in
5. reason for application

Applications will be reviewed periodically and you will get an email response from the above email address.

We aim to ensure that our classes are affordable and accessible to as many children as possible.
