

London Festival of Gymnastics - Brentwood Leisure Centre October 15th & 16th 2016

The Festival team took to the stage again, with their amazing war theme routine. The Gold team performed again, alongside the new additions of the Silver team. Two members of the Silver team had performed in Italy, all other members were completely new and this was their first ever festival. All the gymnasts had an amazing time performing over both days and they were able to see all the other amazing gymnastics clubs.
